Herbert Hoover High School
CHORAL MUSIC

ON TORNADOS!

Welcome to Choir!

Dear Choir Students and Parents/Guardians:

Welcome to Choir! I hope your summer break was great! It will be my pleasure to lead you as your choral music teacher at Herbert Hoover High School. I look forward to making wonderful music with you!

I congratulate you on your decision to be a part of a fun and exciting group. It is always a joy to see a student's interest in music, and I know that this year will be a great time to develop your/your student's musicianship skills and how we communicate.

It is my hope that during this academic year we will enjoy the wonderful opportunity to not only continue to explore great music, but also grow our program and share more of who we are with Hoover and our community. We have plans for performances on our class calendar, so please take time to look over the tentative schedule provided in this handbook. I am looking forward to the performing opportunities we will be able to present throughout the coming school year.

Also, I wish to thank you in advance for your involvement and dedication to this growing music program. Each and every choir member is vitally important. Through hard work, energy, creativity, and enthusiasm of the choir students and their parents/guardians, I am very excited to continue my goal of making a name for our choral program of excellence and fun!

In the following packet, you will find a list of proposed performance dates, required materials and concert attire, my classroom management plan matrix and grading policy, and information about expectations for our digital learning spaces. Please feel free to email me with any questions, concerns, or comments, and be sure to read over this packet fully and carefully, and return the signed portion at the end so I can be confident in your support.

Let's sing it out!

In harmony,

Amy Estep
Choral Director

Choir Mission Statement

The mission of the Hoover Choir Program is to create a safe, fun learning environment for students to explore and develop their physical, emotional, and cognitive artistic abilities through involvement in singing and choral musicianship.

The Choirs

The Aloha Choir

A beginning group, open to all students, grades 9-12, with any level of skill in singing. This choir focuses on the building blocks of good vocal technique, exploration of artistic skills, and development of responsible behaviors. This is a performance-based class, and students are expected and required to participate in events outside of class.

Hoover Chamber Choir

An auditioned choir, composed of students from grades 9-12. Students are expected to be committed to the program for the whole year. This is an advanced, performance-based class, and students are expected and required to participate in events outside of class and maintain good standing in all other classes.

Repertoire

All repertoire for the choral program is varied and chosen with care to reflect high standards, but also to challenge and support the vocal needs of the students. We sing in two, three, and four-part harmonies, with genres that span from classical western music to contemporary pop hits, with everything in between. This range of music challenges the students and creates interest and exposure to a variety of artistic styles, thus challenging the students' perceptions of art and culture.

Classroom Supplies

Most supplies are provided for the classroom by the choir program with funds that are collected from fundraising, concerts, and donations. These include (but are not limited to):

- All music scores for in-class requirements, required and optional
- All music scores for required performances
- Choir rehearsal folder (these do not leave the choir room)
- Rehearsal tracks/mp3s for outside practice

Though many materials are supplied, choir is still a class that involves writing and study, and so it is the student's responsibility to come prepared to every class with the following materials:

- Paper
- Two pencils, sharpened and/or with lead
- Binder to keep notes/papers/etc. together

Failure to come prepared to class with the above materials more than once will result in *negative consequences*, including lowered participation grade for the day and possible call home, if the student is continually unprepared.

Uniforms

Because choir is an art that emphasizes unity, our use of concert attire is important to signify our professionalism and dedication to excellence. Therefore, every choir member is required** to obtain concert attire. All measurements and orders for concert attire will take place during class time. Students who do not wear the appropriate attire to concerts will not perform and have negative consequences on a case by case basis.

Informal Concert Attire requirements:

- Choir T-shirt (\$25) or sweatshirt (\$40) [both may be purchased]
- Blue jeans, no rips! (supplied by student)
- Sneakers/tennis shoes (supplied by student)

Formal Concert Attire requirements:

Females:

- Formal Concert Dress and black dress shoes (\$120)

Males:

- 5-Piece Formal Concert Tux and black dress shoes (\$165)
 - o Tux includes pants, shirt, jacket, bow tie, and cummerbund

**A student will never be excluded from performances or participation if they are financially unable to purchase/obtain concert attire. Please email the director directly to discuss alternate purchase options, if assistance is needed.

Parent/Guardian Volunteers

In our efforts to build the choral music program, it is vital to have the support and help of our parent/guardian volunteers. Any time you can give to helping the choirs is greatly appreciated and assists the choirs in succeeding both academically and professionally.

Volunteer opportunities include: monitoring students backstage during concerts, assisting with ticket sales both in the classroom and on concert night, organizing fundraisers, assisting with concert attire purchases, chaperoning trips, etc.

We need all the help we can get! If you are interested, please let the director know when you are available to help by checking the box on the bottom of the choir contract (last page of this packet) and writing your availability below it.

Choir Retreat (Chamber Choir Students Only)

The mandatory Choir Retreat will take place this year on **Saturday, August 24th from 9:00am-12:00pm**. This is a tradition for our Chamber Choir, and it is important that every member attend. We will use this time to build up the choir as a team, as well as dig into our music to get a more solid foundation for our upcoming concerts, culminating in a mini-performance at the end of the day for family and friends. Water and lunch is provided this day for all choir members. *Please let the director know ahead of time if there are any special dietary needs.*

Fundraising, Volunteering, and Donations

Fundraising is an important part of our program that helps us fund the music program. All fundraising money goes to provide materials for the classroom in the form of sheet music, sound equipment, supplemental texts/videos for curriculum, and lowered costs to every student in the choir which can include lower fees and costs for concert attire, buses for trips, theme park tickets, piano accompanist, and more.

Main Fundraisers:

- Concert Tickets and Concessions
- Movie Nights and Dine-out Nights
- Block pARTy
- Singing Valentines
- Cookie Dough
- Talent Show

Donations: Any and all donations to the Hoover Choral Program are welcome and very much appreciated!

Payment Plans and Choir Scholarships may be offered to students who demonstrate financial need. Please contact the choir director for more information if you need assistance.

Festivals/Travel

There are two main opportunities for students to travel with choir in the school year.

Southern California Vocal Association (SCVA) Festival: This is a non-competitive festival for choirs of the same grade level, where two certified adjudicators evaluate the choirs. The festival is designed so that each choir hears the performances of all the other choirs and receives feedback on their performance in the form of comments and letter grades. More detailed information is given out at the start of the spring semester.

Spring Choir Trip and Festival: As a reward for the hard work students put forth throughout the year, the choir is given the opportunity to perform at an adjudicated festival to showcase their skills and spend the remainder of the trip building relationships with their fellow choir members. More detailed information is given out at the start of the spring semester.

Absence and Tardy Policy

All absences from class (virtual or in-person, excused and unexcused) **will result in a zero for Daily Goals/Participation grade for the missed rehearsal.** The student may not make up the rehearsal, as it is a live experience that cannot be re-created. Though a few absences will not truly affect a student's overall grade, excessive absences may result in a lower grade and other consequences if the student cannot be involved with the class consistently, as each one is a unique opportunity to develop skills.

Excessive tardies will also lower a student's Daily Goals/Participation grade in choir. If a student has 5 or more unexcused tardies in a semester, the result will be a parent/teacher conference.

ALL PERFORMANCES OUTSIDE OF CLASS ARE REQUIRED OF ALL STUDENTS. Students who are absent from a performance for any reason will receive a ZERO and the points cannot be made up. The only exceptions to this requirement are severe student illness or family emergency. Please carefully check the class calendar to avoid date/time issues and a parent/guardian must let the director know in writing at least two weeks in advance if there is a serious conflict with a performance or rehearsal so the director can discuss with parent/guardian about an alternate assignment, if absence request is approved.

Grading Policy

Students are graded with Standards-Based Grading scheme with a 4-point scale to help them understand what level of mastery they have achieved, which will be converted to a letter grade at the end of each quarter (see scale conversion below). A variety of assignments will be offered that will allow students to demonstrate their continued mastery of musicianship skills. The breakdown of assignments will look something like this:

GRADED ASSIGNMENTS BY SECTION	GRADE %
Class achievement/goal (daily)	25% of grade
Performances (4-5 per school year)	45% of grade
Sight-Singing Exams (2-4 per semester)	10% of grade
Writing Assignments/Quizzes/Exams (many)	20% of grade

Advanced: 4 pts	(A , 75—100%)
Mastery: 3 pts	(B , 62.5—74%)
Above Average: 2 pts	(C , 50—62.4%)
Exploring: 1 pts	(D , 25—49%)
No Serious Attempt/Effort: 0 pts	(F , 0—24%)

Eligibility

Every student is eligible to participate in the choirs at Hoover. However, as both an academic class and extracurricular club, some students may lose the privilege of performances outside of school, or continuing in choir class if they fail to maintain the high standards set by the director. This can include students who: do not participate in class, fail to maintain passing grades in other classes, receive probationary status in either academics or citizenship, and/or do not follow the rules & guidelines of the Choir Handbook, Hoover High School, or Glendale Unified School District.
